### REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. §1.322

---

Commissioner For Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants respectfully request that a Certificate of Correction be issued pursuant to 37 C.F.R. §322 to rectify a typographical error in the patent. The error is listed below and on the attached PTO-1050 form.

In column 5, line 35, after "alarm flag had" insert -- been previously set by a previous finding of unchanged conductivity. If the alarm flag --.

This line of text was erroneously omitted from the issued Letters Patent but appears in the original specification filed on January 8, 2002. The error is considered of consequence, as the meaning of the sentence is unclear without correction. Therefore, issuance of a Certificate of Correction is requested.

NOV 23 2004

Because this error occurred during printing of the patent, a fee is not required for the Certificate of Correction. However any fee that is due should be charged to Deposit Account No. 17-0055 .

Respectfully submitted,  
Kurt A. Reichold
